

EAGLE

1972 EAGLE

***Golden City High School
Golden City, Missouri***

Dedication

The Annual Staff dedicated the
1972 Eagle to you, Mrs. Mae Hope,
for your loving service to the Golden
City School system.

High School students are constantly searching for the key that will unlock the doors to knowledge, popularity, and success in scholarship, athletics, or leadership.

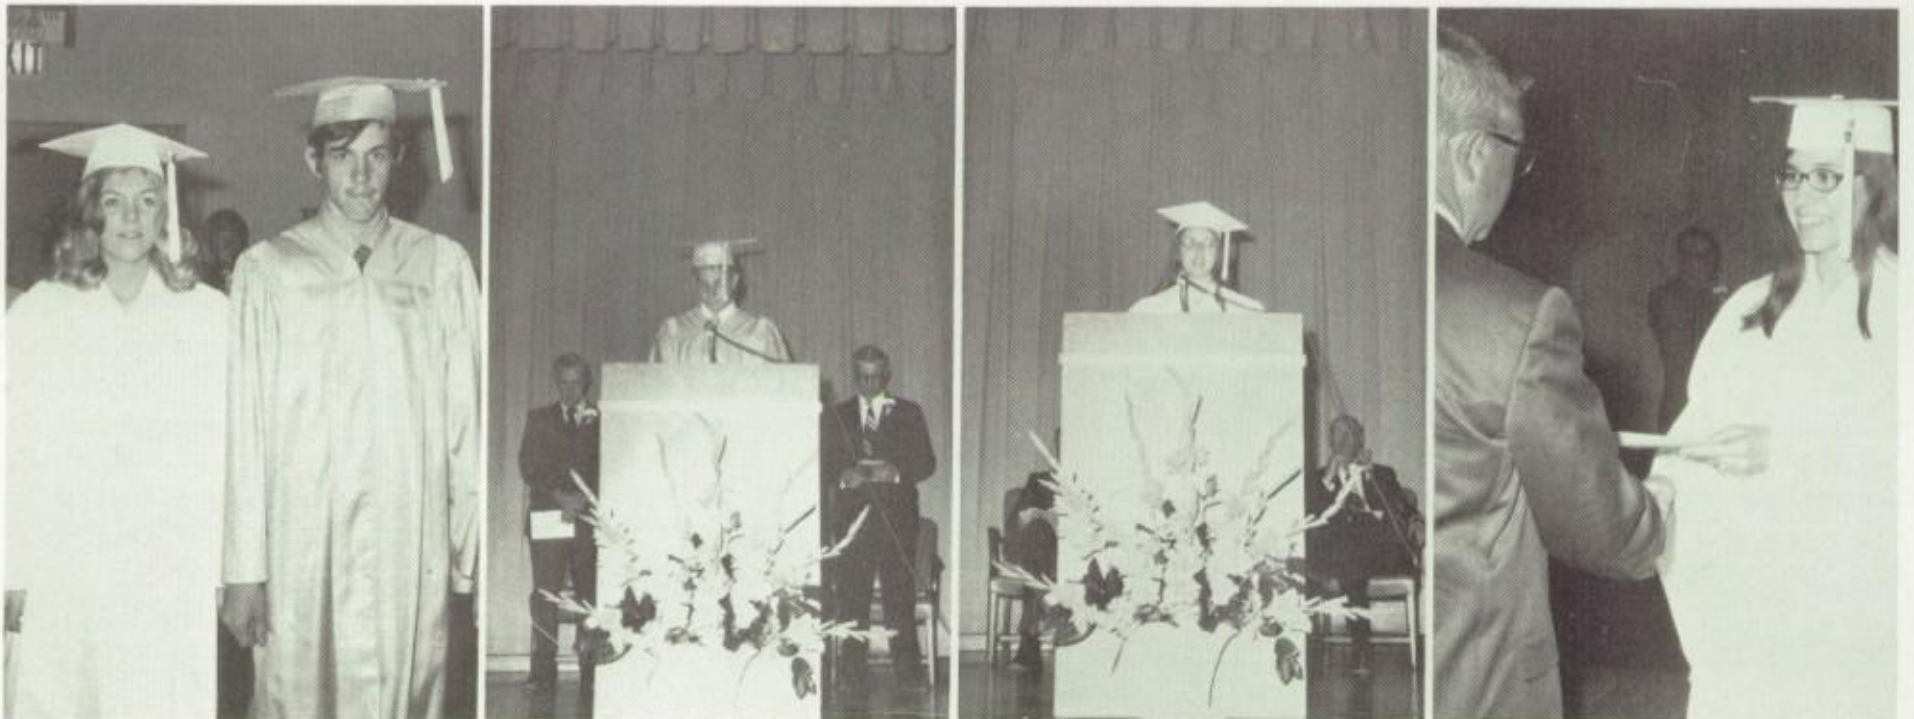

The student himself is the master key, not his teachers, family, or friends. If he utilizes all of his God-given gifts--his own talents, abilities, and determination--he can successfully unlock the doors for a bright and productive future.
